The Green and White

Close beside the mountain
In the morning light
Loveliest of banners floats
The green and the white.

Students voices raised in song
Echo through the days,
Sounding forth for Valley High
Alma Mater Praise.

As the evening sun goes down
And the night draws near,
Then we hear in memory
The song we love so dear.

REFRAIN

Green and White, Green and White,
Symbol of our school;
We will always honor thee,
To thee we'll e'er be true.

Foreword

The students of the 1962 graduating class have come to realize that the amount of factual knowledge to be gained is increasing very rapidly while the basic principles upon which our civilization has developed are the same.

Our hope is that during these twelve years of school we have gained enough perspective to coordinate upon these basic principles the knowledge gained to bring about an enlightened future and a better society.

Gilbert W. Hancock

Dedication

The class of 1962 pays tribute to a man who has faithfully devoted his time and effort to education in this valley. Our present intergrated school system owes a great deal to this man for it was he who bore the administrative responsibilities so well. As a teacher, he has gained the respect of his pupils by his belief and insistence that individual development can come only thru a well-disciplined environment.

Mr. and Mrs. G. W. Hancock

Lewis McGill has served as the supervising principal of the Sugar Valley Area Jointure since 1959, having previously taught at the Bald Eagle Nittany School. Mr. McGill graduated from Lock Haven High in 1939 and served in the United States Marine Corps as a radar technician during World War II. Upon his discharge he enrolled in Lock Haven State College, majoring in mathematics. After his graduation in 1950, he enrolled in the Graduate School at Pennsylvania State University and was granted a Master's Degree in Administration in 1951. At the present he is continuing his advanced studies in the field of Administration and Psychology at the above university.
